# CONVERSATIONS AROUND CONSENT

**RESILIENCE**  
ADVOCATES FOR ENDING VIOLENCE™

Consent can be a tricky topic often deemed too unapproachable and intimidating to explore. This webinar will aim to break down these barriers by providing a basic definition and understanding of the elements involved, as well as providing tangible ways to engage in discussion with various audiences about consent. Our goal is to invite and equip all viewers to have open dialogue about consent with their sphere of influence.
