RESILIENCE

ADVOCATES FOR ENDING VIOLENCE™

Raffle & Auction Donations

Auction Donations

The live auction at our Denim & Desserts spring fundraiser is a key source of funding for Resilience's programs. We are seeking donations of travel experiences, high-value items, or unforgettable experiences to include in this year's auction.

Raffle Donations

Both our Denim & Desserts and Blue Star Bash fundraisers include raffles that help support our work. Donations such as gift cards, gift baskets, unique experiences, or items your business provides help raise critical funds for services supporting survivors in Ottawa and Allegan counties.

All donations are appreciated and will be recognized at the event. We kindly ask that raffle items be provided at least two weeks prior to each event to allow time for preparation and promotion.

Sponsor a raffle or auction package!

We also gratefully accept financial contributions to help create highly desirable auction packages. Whether you have a specific item or experience in mind, or would prefer that we handle the planning, we would be honored to have you sponsor an auction package.
